With the exception of the 90-Day Trial membership, the fee is shown in the table for the month in which you submit your paperwork.
4. Mail your completed application and check to our Treasurer. Bringing it to the field and dropping it off will only delay the process. Once he has received it, he will process your application and add you to our billing and email systems. This could take a few days so please plan accordingly. He will inform you when the process has been completed and you can then begin flying with us.
